

Notice of Financial Assistance/Discount Policy

ACMH Hospital is proud of its mission to provide quality care to all who need it, 24 hours a day, 7 days a week, 365 days a year.

If you do not have health insurance or limited coverage and worry that you may not be able to pay for part or all of your care, we may be able to help. ACMH Hospital provides financial assistance to patients based on financial screening. In addition, we may be able to help you get free or low-cost health insurance or work with you to arrange a manageable payment plan.

Federal and state laws require all hospitals to seek payment for care provided. This means we could ultimately turn any unpaid bills over to a collection agency. This could affect your credit status. Therefore, it is important that you let us know if there may be any problem paying your bill. You may be surprised at who qualifies for financial assistance.

For more information, please contact our Financial Office at: 724-543-8525 or 1-800-985-2222

We will treat your questions with courtesy, and any information you provide to us will be maintained with complete confidentiality.

If you would like a copy of this notice, please request one from the registration staff.
