REGISTRATION BEGINS AT 8:00 AM - SHOTGUN START AT 9:00 AM

## PLAY YOUR HAND... POWER OUR MISSION:

ACMH is placing a big bet on community health with an investment in the hospital's electrical infrastructure. This project is not a simple keeping-the-lights-on drive - it's a full swing for the future of healthcare in our region.

**An entirely new electrical infrastructure is like upgrading the hospital's entire power grid - from the first tee to the final hole, every system depends on it.**

This investment ensures uninterrupted care during storms, emergencies, or unexpected outages, so critical services like surgery, imaging, and life-support systems never miss a beat. It also allows ACMH to bring in the latest medical technology, expand services, and meet the growing needs of our community with confidence. For patients and families, it means greater safety, faster care, and the peace of mind that their local hospital is always ready - day or night, no matter the odds.

## SPONSORSHIP LEVELS

Foundation

**This year, your sponsorship and participation can help save lives!** An entirely new electrical infrastructure enables ACMH to repond when needed, add the latest technological developments and guarantee 24/7 availability.
