

## School of Radiologic Technology

### Program Effectiveness Data

**Program Completion Rate (PCR)** is the number of students who complete the program in 24 months or within 150% of the stated program length of 24 months compared with the number of students who initially begin the program (ACMH School of Radiologic Technology benchmark is 80% or greater annually)

Class of	Number of Students	Percent Completion Rate
2013	7 entered, 7 graduated	100%
2014	8 entered, 7 graduated	87.5%
2015	8 entered, 7 graduated	87.5%
2016	8 entered, 7 graduated	87.5%
2017	7 entered, 4 graduated	57%

**American Registry of Radiologic Technologist (ARRT) Credentialing Examination Pass Rates on first attempt within 6 months of graduation** (JRCERT Standards benchmark is a 5 year average of not less than 75% at first attempt within 6 months of graduation)

Class of	Number of Students	Percent Passing on First Attempt
2013	6 of 6 students passed on first attempt	100%
2014	7 of 7 students passed on first attempt	100%
2015	6 of 7 students passed on first attempt	86%
2016	7 of 7 students passed on first attempt	100%
2017	4 of 4 students passed on first attempt	100%
<b>Five Year Average</b>	<b>30 of 31 students passed on first attempt</b>	<b>97%</b>

**Job Placement Rate (JPR) is the number of graduates employed in medical imaging compared to the number of graduates actively seeking employment in the profession within 12 months of graduation (JRCERT Standards 5 year average benchmark is not less than 75% within 12 months of graduation)**

<b>Class of</b>	<b>Number of Students</b>	<b>Percent Completion Rate</b>
2013	7 graduates - 1 not actively seeking employment - 1 did not take ARRT examination and entered the military - 5 of 5 were employed within 12 months of graduation	100%
2014	7 graduates - 5 of 7 were employed within 12 months of graduation	71%
2015	7 graduates - 2 not actively seeking employment - 5 of 5 were employed within 12 months of graduation	100%
2016	7 graduates - 1 not actively seeking employment - 6 of 6 were employed within 12 months of graduation	100%
2017	4 graduates - 1 not actively seeking employment - 3 of 3 were employed within 12 months of graduation	100%
<b>Five Year Average</b>	<b>24 of 26 graduates actively seeking employment employed within 12 months of graduation</b>	<b>92%</b>

The JRCERT defines “not actively seeking employment” as: 1) Graduate fails to communicate with program officials regarding employment status after multiple attempts; OR 2) Graduate is unwilling to seek employment that requires relocation; OR 3) Graduate is unwilling to accept employment due to salary or hours; OR 4) Graduate is on active military duty; OR 5) Graduate is continuing education.

The Program Effectiveness Data is current as of 6/2018. This information references the Joint Review Committee on Education in Radiologic Technology (JRCERT) – Standard 5 (Objectives 5.2 and 5.3)
